

Diversey™

sumabrite™ Veg & Fruit Wash

In the current times with Covid 19 wrecking havoc our personal safety and the safety of our near and dear ones is of foremost importance. The corona virus can last on various surfaces for a long time. Fruits and vegetables are products which change multiple hands and can be a silent carrier of the virus. Hence its imperative to ensure that the fruits and vegetables we eat or handle are sanitised effectively to arrest the threat of harmful pathogens.

Sumabrite Veg & Fruit wash is a product developed specifically to sanitise all raw produce (fruits and vegetables). Its unique formulation brings with it a host of benefits unlike other vegetable and fruit washes available in the market.

Features

- Backed by pioneering research and formulated with ingredients that efficiently cleanse fruits and vegetables, the wash solution can be used **without the need to rinse, saving precious water**
- One-of-a-kind organic composition that makes it **safe to use on mushrooms and cut vegetables**
- A formula specially designed with **organic actives**
- **No** colour, harmful chemicals or added preservatives
- **Does not alter the taste or aroma** of the treated produce
- A **non-chlorinated, soap-free solution**
- **No** alcohol or perfume
- Makes **80 litres of wash solution**
- Solution is **effective up to 8 hours**, making the formula **user-friendly & economic**
- Stable blend of lactic acid & phosphoric acid **enabling accurate dosing time after time**
- Easy-to-use, **tamper-proof bottle**
